Fast-Roping/Rappelling Gloves

The gloves detailed on this brochure are a selection from Bennett Safetywear Limited's extensive portfolio of high quality, specialised tactical firearms & intervention gloves.

1970/14" Standard Fast-Roping glove. Sand (35cm)

1490B Standard Fast-Roping glove. Black. (30cm)

STANDARD FAST-ROPING GLOVES

Currently in service with specialist units worldwide. Heavy duty fast-roping gloves made from hard-wearing chrome leather with a Velcro® wrist adjustment. Reinforced in areas most subject to wear. Thermal insulation provided by a soft Kevlar® lining that also gives additional cut resistance.

Ideally suited to training and operations where simultaneous operation of a firearm is not required. For optimum weapon handling, the COBRA® PLUS fast-roping glove is recommended.

- Colours: black (1490B), beige (1960), sand (1970)
- Sizes: S, M, L, XL
- Lengths: 25cm or 35cm
- NSN: 8415-99-833-0147 (size M)
- EN388: 4244

COBRA® PLUS rappelling glove, black. (28cm)

4.3.4.4

COBRA® PLUS (V2360)

The professional's choice... and still the best fast-roping / rappelling glove on the market. Using the latest materials and technology, the COBRA® PLUS glove superbly combines high levels of protection with excellent comfort and dexterity. The COBRA® PLUS glove is firm favourite among many police firearms units, anti-terrorist units and special forces units worldwide.

The COBRA® PLUS is manufactured from a specially formulated coated Kevlar® fabric that is waterproof and abrasion resistant. The glove features a flame resistant Nomex® lining as well as a suede leather palm-and-thumb reinforcement for additional grip and protection during fast-roping. The leather trigger finger is unlined to allow for unrestricted weapons handling.

- Sizes: 7-12
- Length: 28cm
- NSN: 8415-99-225-7767 (size 9)
- 8415-99-928-3318 (size 10)
- 8415-99-447-0271 (size 11)
- EN388: 4344
